

# STANLEY/STELLA

A new standard for blank apparel.

Stanley/Stella has been making premium, sustainable clothing since 2012.

Originally created for the European market, their t-shirts and fleece are designed to be decorated. Each piece is crafted thoughtfully, available in vibrant colors and focused on fit, comfort and durability.

The result is soft, quality apparel that decorates beautifully and wears even better. The organic and recycled fabrics they use enable wearers to express their style while never compromising their values.

We're proud to be the exclusive United States distributor for Stanley/Stella – a brand like no other.
